India is Hindus' Country.

East India Company knew it, British knew it, Moghuls knew it, and all the foreigners know it. Our most ancient Vedic scriptures clearly say it.

Therefore, it is time the Hindus make Bhaarat a Vedic State.

Just look at the One Anna coin of 1616. One Anna Coin introduced by the East India Company in 1616 depicting Rama Pattabhishekam.

Rama Pattabhishekam One Anna Coin by East India Company, 1916.

A very rare Photo
