Dear Friends,

Subject: Islam's Take Over of a Whole City Happened In America

Reproduced below is an interesting piece of information from a part of America:

Unbelievable Sign Near Dearborn, Michigan.

Wake Up, America. We don't live in the same Country we lived in 6 years ago. American is changing and changing very fast.

Are there "no-go" zones in the U.S.? Is this one of them?

Dearborn, Michigan is the first city to become almost completely Muslim.

Yours may be next because they are here and more come every day.

Amazing that any city would allow something like this to be displayed.

**STILL THINK THEY'RE KIDDING?**

.. and people are concerned about the Confederate Flag?????

Unquote (.)

Does it set a trend?
