Kazi, an Islamic Magistrate, bowed down to the lotus feet of Lord Sri Chaitanya

**VERY IMPORTANT FOR EVERYONE TO CHEW UPON:** The law says that anyone even suggesting to murder, rob, steal can be arrested with the culprits. Here Mullahs blaring the Koran in Arabic loudly day in and day out to order faithful to Allah to attack, rob, besiege, ambush, murder Kafirs.

Why are they not charged and tried as to this date for advising to rob, murder, ambush...? How long should you wait?

Is Muslim violence throughout the world including in India simply accidental? One may close the nostrils; still foul smell of the garbage will emerge regardless how much one covers the foul smelling garbage with the Paris scented fragrance flowers?

**READ WHAT WAS TAKING PLACE IN BENGAL UNDER VICIOUS CRIMINAL RUTHLESS MUSLIM RULERS OVER 530 YEARS AGO?**

**Mohammad Kazi (Islamic Magistrate) had ordered his Muslim Momin Criminals in Bengal to go to homes of Hindus to break their musical instruments such as Mridanga, Dholak, Tabla, and other musical instruments used during Kirtans and Bhajans.**

**Eventually Lord Sri Chaitanya Mahaprabhu organized the biggest peaceful non-violent march of devotees singing, chanting, dancing and playing on Mridanga and Curtails: "Hare Krishn Hare Krishn, Krishn Krishn Hare Hare; Hare Ram Hare Ram, Ram Ram Hare Hare" reaching to the house of Mohammad Kazi.**

**Out of extreme nervousness and fear, seeing thousands of Krishna's devotees outside his home simply dancing and**

**chanting, Kazi rushed to the bathroom to hide.** But great Mahaprabhu, humble like a bee, sent the message to Kazi that he had not come to hurt him but simply had come to discuss. Finally, Mohammad Kazi came out of his hiding cell and invited Lord Sri Chaitanya Mahaprabhu in his house to listen to the Lord. One can read the entire discussion in the book Sri Chaitanya-Charitamrta, Adi Lila Volume 3, Pages 340-348.

**Finally, Kazi cried loud on his mistakes and evil Islamic behavior and apologized by stating that no one from now onward would ever stop the Bhajans and Kirtans of the Hindus. Mohammad Kazi had further given the assurance to Sri Chaitanya Mahaprabhu ji: "If any Muslim ever tried to do such evil act on his own that culprit will be severely punished and fined."**

Finally, after listening to Lord Sri Chaitanya Mahaprabhu, Kazi agreed everything spoken by the Lord. Kazi bowed down to the lotus feet of Sri Chaitanya Mahaprabhu by apologizing and asking for forgiveness and blessings to be delivered.

**Here is Lord Sri Chaitanya Mahaprabhu encountered Mohammedan Magistrate (Kazi) over 530 years ago in Bengal. The following is just the essence of the entire discussion.**

The following verses were spoken over 530 years ago by Lord Sri Chaitanya Mahaprabhu to Mohammedan Magistrate (Kazi), translated in English from Bengali:

**TEXT 165:** "The Sastras (books) of the Yavanas, or meat eaters, are not eternal scriptures. They have been fashioned recently, and they contradict one another. The scriptures of the Yavanas are three: The Old Testament, The New Testament, and the Koran. When the scriptures of the Yavanas namely, the Old Testament, the New Testament,

and the Koran cannot properly answer inquisitive followers, naturally those advanced in the scientific knowledge and philosophy lose faith in such scriptures.

**TEXT 166:** "Since you Mohammedans cannot bring killed animals back to life; you are responsible for killing them. Therefore, you are going to hellish planets; there is no way for your deliverance."

**TEXT 167:** "There are many mistakes and illusions in your scriptures. Their compilers, not knowing the essence of knowledge, gave orders that were against reason and argument."

...From the book Sri Chaitanya-Charitamrta, Adi Lila Volume 3, Pages 340-348

**LOOT AND RAID, SLAUGHTER AND SLAVERY. ARSON, MURDER AND MAYHEM OF INFIDELS (KAFIRS) ARE ADVISED BY ALLAH OF KORAN TO ISLAMIC FAITHFUL.**

**This is the Islamic Psyche read and head everyday by Muslims and their children in Arabic. They are breeding to hate, loot, arson, murder, slaughter, slavery, mayhem, CAN YOU UNDO IT THIS PSYCHE?**

**Just simply let them breed and let them take over Hindu homes because few Money Boys advise being followed "HUSH, HUSH" because of their personal selfish interest could be at stake. Truly do you want to follow this kind of approach "THREE MONKEYS' SYNDROME?" Three Monkeys' Syndrome is only applicable with those who upheld the highest moral/spiritual standards with utmost respect to each other. It is not at all applicable with demons. Demons must be tackled firmly as these understanding of three Monkeys' Syndromes are beyond their level of intelligence. They need to be put under controlled lock and key in a fort blaring with the understanding on Science of**

**Self Realization and after two years later release them among Islamic terrorists as THE ANTI VIRUS for Muslims.**

**India must involve everyone in Hindutva small or big, rich or poor, believers of sectarianism, breed, creed, origin, belief.**

### **LOOT AND RAID**

Loot and raid in the context of Islam means attacking the kafirs. The Arabic word for raids is 'ghazzua' and it also implies killing and enslaving the kafirs (infidels). This is the word from which is derived the very so called Islamic honorable term 'ghazi' meaning a warrior of Islam that has killed many kafirs.

The loot taken from the Kafir is legal for Moslems. The distribution of the loot of booty, which includes the men, women, and children, is done according to well-defined regulations described in the Koran and the Hadis and that was started by the very first self-declared Caliph Mohammad.

**The first fifth of the loot goes to the prophet or the caliph and in their absence to the mullah who is in charge. The balance four-fifth is shared by the rest of the looters who took part in the raid.**

**Prophet Mohammad had explained to his followers (momins, sword happy - armed to the tooth) that since he was the prophet for all time to come, such raids were sanctioned by Allah.**

**Koran VIII/67-69: "It is not for any Prophet to have captives until he hath made slaughter in the land. Ye desire the lure of this world and Allah desireth (for you) the Hereafter, and Allah is Mighty, Wise.**

Had it not been for an ordinance of Allah which had gone before, an awful doom had come upon you on account of what ye took. Now enjoy what ye have won, as lawful and good, and keep your duty to Allah. Lo! Allah is Forgiving and Merciful.

**Rebuttal:** UNDERSTAND very precisely that according to Koran **LOOT, RAID, SLAUGHTER, SLAVERY, ARSON, MURDER AND MAYHEM OF INFIDELS (KFIRS) ARE LEGITIMATE**. Have they yet stopped to this date in Kashmir, Pakistan, Bangladesh, Malaysia, Afghanistan breaking hundreds of Hindu, Sikh and Buddhists places of worship? **THEY WILL NOT STOP, REGARDLESS HOW MANY JAWANS YOU MAY GET KILLED IN DEFENDING FROM THE ISLAMIC AGGRESSORS?**

**What is the answer in Kashmir?**

Don't simply give free aid to Kashmiri Muslims until you are sure they belong to India. There are thousands of foreign Muslim terrorists in Kashmir from every Islamic country doing their very best to terrorize India. For that very reason, from house to house search must begin by the government officials issuing identification cards for rations to those who prove to be born in Kashmir rest must be arrested by paramilitary in plain clothes visiting with the government officials to protect and arrest suspicious Islamic terrorists hiding in houses of natives.

**JUST IN JULY 2016,** two Hindu temples destroyed in Kashmir and also two Hindu temples destroyed in Malaysia same timing – can't the Hindus understand this correlation simultaneously attacking in two distant places destroying two Hindu temples in each geographical area?

**Two ancient tallest Lord Buddha's statues in Afghanistan's 1500 years old Buddhas of Bamiyan were destroyed by Islamic ruthless terrorists.**

**HANUMAN SINGH CHODHRY WROTE:**

**It is time to grab these kinds of mentally retarded Arabs and tackle them with the similar zeal. Enough is enough of this fanatic Islam now.**

**Nobody should ever pamper Islam as we have been noticing the dubious standards through the controlled freak news media in the USA and BBC televisions constantly pampering Muslims and justifying their behaviors as moderate etc.**

**Come on boys, it is time that the demoniac mentalities must be wiped out by all means and this Islam and its Koran is constantly teaching the most criminal ideas against humanity. It is time that India sends a strong message to Saudi Arabia. Also India must ban the export of Halal meat and other meat of holy mother holy cows now. These demons must not convert India into desertification what Islam and their predecessors have caused to the original Aravsthan land (now they call it Arab) by mass butchering Cows, bulls and other animals.**

**NOW THE QUESTION IS RAISED TO THE SERVANTS OF THE SERVANTS, the chosen elected servants made of the people by the people and for the people, "There are too many criminals trying to wipe out Hindus and their places of worship, why then those elected Hindu leaders are unable to focus yet, without any realization, that lack of Hindu majority your future is blink as well without having Hindu majority i.e. not enough support?**

**ANSWER:** Always respect those great Hindus rather shut down telephones on them. Listen to their great views of understanding, experience and wisdom when they call you. OPEN channels for advice and their views for great India. It is the common Hindus which will bring the shine to India, not just few money boys trying to capture desperately India's wealth in their ever ending greed and accumulations which never ever will fill to the brim thus causing very big suffering to common Hindus as well because under the influence of few chosen desperate grabbers, interest of the common people is definitely overlooked and avoided. . So this must be watched as country's progress slowly lead to monopoly control like currently taking place in the USA and such kinds of game plans are not new in the world. Hitler, Lenin, Stalin all had come to the power due to those tried to monopolized economies through the leadership and that must be thoroughly watched by BJP coming to power. Millions of people were killed by the utmost greed led to hellish conditions for helpless and innocent lives because of the greediest criminals. These money boys behind the backing are advising BJP top party leaders to simply close the eyes on issues taking place in Kashmir and other places such as in UP. Those selfish greedy advisers to top BJP guns do not care as long as they continue to fill their ever pockets. BUT IF THE HINDUS ARE CHASED OUT OF THEIR HOMES, do you think this short term Hindutava may last forever by the advice of few selfish greedy manipulators for their various schemes in looting Common Indians? **ANSWER:** They will be wiped out by aggressive Muslims as well eventually which has been already taking place in present day and consult histories to find out Hindus' past glories.

Always remember, when a government is run on the advice of few wealthy boys, the country eventually loses; party lost during Prime Minister Sri Vajpayee time but when the country runs on the principles by taking care of the interest of the common people, Hindutva flourishes indefinitely.

**REMEMBER:** Bhagwan Sri Krishn has given a very stern warning to those whose action is not in line to be a devotee: **"Greed is the gateway to hell."** Bhagavad-Gita Chapter 16

### **CORRELATION OF TERRORISM ON AN ONGOING BASIS:**

**Why the government does not smack Islamic terrorists, once and forever? ANSWER:** Because it is more inclined in keeping up with the utmost selfish interest(s) of few money boys. But this quietness, and looking on the other side or closing the eyes, the government hurting not only millions of Hindus but its own stay for the next election. It is time to visualize this point. It is time to go after the demons like Bhagwan Sri Ram went after demons starting from Tarakaa, (naani of Raavan).

**I was informed that telecommunication corporations have been stealing monies BIG TIMES in day light from general public.**

**Example:** O.K., you got Rs. 500 charging on your Mobile Telephone. Well, you thought that it would last TALK TIME over your mobile phone until Rs. 500 amount is exhausted. No you are wrong. Suddenly, phone disconnected during conversation. You got big surprise. You can't call back right away unless you drive to the vendor to find out the surprise, why disconnected? Vendor replies: "You had to use Rs. 500 within 25 days." Customer, "I hardly called anyone. Can you check the actual amount used in 25 days?" Vendor to customer: "Sir, you had used only Rs 128 amount." Customer to vendor: "What took place of the difference between Rs 500 that I had given to you at the time of charging and the amount used Rs. 128?" Here the blame goes to the Communication Corporation selling this misleading concept! They know very well silently that most vendors may slip out on this issue by proper explanation.

RS 378 stolen systematically from the general public and they become fat rich while common public struggling for every penny to take care of their children and families.

**So to remain within the sanctity and decency of Hindutva's leadership of Bharat Mata, it is absolutely imperative that all of you must have close vigilance against Babus and Judges. REMEMBER: WE HAVE TOO MANY DEMONS AGAINST INDIA'S PEOPLE OUTSIDE INDIA AND WITHIN BUT WHY ARE YOU CAUSING MORE HUMILIATIONS TO PEOPLE OF INDIA WITHIN INDIA THROUGH VERY PAINFUL COURT SYSTEM AND THROUGH ANGLICIZED CLASSES OF BABUS? Disrespecting your own people who have trusted you to clean up the mess is definitely not the sign of Hindutava. Inefficiencies, and very disorganize minds are not the signs of great values for national interests. Greedy people lead to destruction of families, destruction of nations and if BJP top leadership is running on the advice of few money loaded pals, they better immediately turn around to look towards the interest of down the earth common people to build strong5 Hindutva. Those selfish loaded with money advisers will continue to advice against any action taken against the rising Islamic criminal mischievous attitude towards Hindus whether be in Kashmir or Kerala or UP or Hyderabad as they have been simply safe guarding their billions of assets but eventually they will lead to sink India including themselves. It is time for action so more Hindus can stay at their homes to speak loudly BHARAT MATA KI JAI ensuring your seats at BJP. But if the Muslims keep on taking over their homes like in UP and other states and Money boys keep on advising against any action, how long the Hindu Majority will last to keep BJP on the seats.**

**Advice to Hindutva's leaders: "Always respect common Hindus who mean well by speaking loudly Bharat Mata ki Jai from house to house."**

**Kashmir already started burning; in two dominating Muslim areas in the state of UP, Hindus are kicked out from their homes with bag and baggage by Muslims and their houses are taken over by fanatic Muslims. Hindu children and adults are on the streets due to your silence and inefficiencies.**

**HOW CAN THESE FANATIC MUSLIMS DARE TO DO THIS CRIMINAL VIOLENCE SNATCHING HOUSES, PROPERTIES OF HINDUS RIGHT IN THE HEART OF BHARAT MATA?**

**Sri Modi Ji, you do not need approval from the President of India to protect the innocent by sending Para-Troopers.**

**You will be more cheered up and supported by the present Hindu majority by righteous action and Muslims may come to their senses to see Hindutva's strength. Well the Chief Minister such as Akhilesh of UP, Nitish of Bihar and other anti-India elements will come to their senses to bow down to their knees. It is the Commander-in-Chief duty to protect the interest of people regardless in what state under whose party. THIS WILL BRING THE SHAKTI OF BHAGWAN SRI RAM and all people of UP will appreciate your courage and respect and Hindutva will be the rising glory rather being subsided by the advice of few selfish greedy money loaded boys: "To simply cool down each Islamic incident without taking drastic action against Islamic criminals." Even advising to shut up the internet and telephones when Hindus of Kashmir tried to report to the Central authorities after two Hindu temples were ransacked by Muslims in Kashmir this month of July -2016.**

**How long will you all continue to close your nostrils from the foul smell of piled-up garbage that has been constantly emerging non-stop? Well keep covering garbage with Paris Scented high fragrance flowers, yet the penetrating foul smell will still follow you. So take action or they will destroy all of the Hindus eventually and here goes also those few greedy Money advisers with the rest.**

**Remember:** Every Hindu is safe if the leaders behave to give them the protection and if the Hindus are displaced, neither BJP is safe nor those few Money Masters advising against the safety of common Hindus from the hands of Islamic butchery in Kashmir, Kerala and other places. But they are not spared either once the Hindutva is gone... Muslims will do the similar terrorism like at Godhra railway station burning four bogies of train with helpless children women and adults. Without the righteous timely action, Hindutva will be the story and that is not needed. Congress party has shown its vicious nature against everything to insult and humiliate Hindus. If under the leadership of Sonia, Ram saveks in Godhra were burned alive and Sri Modi and BJP were constantly insulted, humiliated and charged as if they were the guilty parties, when it was the Congress leadership behind this carnage, would they spare any BJP, RSS, VHP? Sonia was very well consented in toppling the rising power of BJP and Sri Modi's popularity in Gujarat and that was the reason for the Godhra incident with well-planned strategies from CIA through ISI? The news person Sir Desai who filtered the news from Gujarat was paid Five (5) million US dollars from Saudi Arabia. Not a single news of burning of Hindus ever came out except the soft stories of Muslim terrorists killed during the burning of Hindu businesses by Hindus who finally took a charge to fight back. Muslim terrorists had started simultaneously the same attacks in various business towns burning the shops and killing Hindus when the burning of the four bogies were taking place at Godhra railway station. BBC television spoke that fanatic Hindus burned at Godhra by Muslims. This proves beyond reasonable doubt that the Money Masters from overseas were very well involved through their vicious dubious hateful controlled freak news media in this carnage. They did not want India to rise up and wanted India to remain under their thumbs. Germany was under their grab. Now England and USA are still under their thumbs. Those Money Masters had completely ruined India's economy during the British rule by advising very

**many vicious strategies through the kings and queens of England. Example: In the year 1750, India had a 40% manufacturing control over the world's economy and at that time when England had set up under the falsification image of EAST INDIA COMPANY, England had only 1.9%. Well by all their mischievous viciously charged activities India's economy dropped to 1.6% in the next 150 years. Well, in the year 1947, India got independence and guess India was left with hardly any manufacturing companies to support India's giant population.**

**Those viciously charged people (Money Masters FROM EUROPE and USA) did not want Sri Modi and BJP party to rise to bring India to prosperity. UNDERSTAND FIRST NATURE OF THE SNAKE, NATURE OF THE WOLF etc. WHY THEY RETAIN THEIR NATURE? Did you all understand this point from Vedic science? Once you understand the issue on one's nature, you can tackle Islam and vicious snakes can dance on the tune of music. Remember: There are only two classes of humans: DEMONIAC AND GODLY.**

**To safeguard the interest of Hindutva, one must have the understanding on the NATURE.**

**After Samudra Manthan, did Mohini give Nectar to two demons that had come to the side of demigods? WELL YOU DECIDE: Watch the infiltrators within BJP as opportunists and misbehaving with common people of India who mean well for BHARAT MATA.**
